

# ALLWOOD

## Sealing Instructions for Edge Glued Items

Allwood Baltic Birch, Nordic Pine and Nordic Spruce / Whitewood items can be sealed and coated with any commercial wood stain and wood wax products available at your local building product stores. Or you can just apply multiple coats of citrus oil.

IMPORTANT: Remember to apply the coat on ALL SURFACES. Wood is organic material which will adjust to the seasonal humidity. Any surface left uncoated may result slight cupping or warping over the years.

We would be glad to address any questions you may have. Just email to us at [customercare@allwoodoutlet.com](mailto:customercare@allwoodoutlet.com)

## Warranty for Edge Glued Items

Allwood Baltic Birch, Nordic Pine and Nordic Spruce / Whitewood items carry a 2 year Manufacturer's Warranty against delamination / rot and decay. These products are intended for INDOOR USE ONLY. Outdoor usage will void the Warranty.
