UFO HIGH BAY LIGHT PRO

CCT & Wattage Selectable Integrated LED UFO High Bay Light Fixture

DESCRIPTION

The new generation of LED high bay light adopts the appearance of UFO, which makes it more futuristic, longer lifespan, lower maintenance and higher efficiency. Replace less-efficient traditional metal halide bulb output. Slimbody, light weight no bulky heat sink, LED high bay light can also work with 0-10V dimmer, brightness is adjustable as your desire. Preinstalled hook make it easy for a fast installation and come with an alternative sturdy U-bracket to mount the LED high bay light to wall or ceiling and adjust it to achieve expected emitting angle. It's simple to replace existing lights or make a new installation. The LED high bay light is ideal for commercial or industrial lighting, such as warehouses, factories, gyms, supermarkets, stadiums, retail spaces, workshops, industrial areas, garages, etc.
