Features

- Hardware options inside and outside the shower include a blade handle or contemporary square towel bar.
- CleanCoat® technology creates a barrier between the water and glass to help keep your shower door looking new.
- Frameless, 3/8" (10 mm) thick Crystal Clear tempered glass door.
- Door tracking system features a hidden, cushioned, center guide for smooth, quiet sliding action.
- Innovative roller design simplifies installation and provides out-of-plumb adjustability.
- Reversible top track and towel bar.
- Frameless design emphasizes glass and creates a sleek, minimalist look.
- Smooth, easy-to-clean wall jambs.

Material

- Anodized aluminum hardware prevents rusting or corrosion.

Installation

- Out-of-plumb adjustability allows for simpler installation.
- Can be installed to open to the left or right.

Components

Additional included component/s: Hardware Kit.
