FIT 0-5 STEPS

RUGGED MATERIAL

165 LBS LOADING

Suitable 0-5 Steps

As a great helper for your family to go up and down the stairs, this stair railing kit is built to suit 1-5 stairs and leveled surfaces. It extends 37.4"/95 cm from the ground to the highest step.

Rugged Aluminum Material

This hand railing for stairs is constructed with sturdy aluminum, ensuring it remains rustproof and corrosion-proof. As a result, the handrail guarantees a long lifespan under various weather conditions.

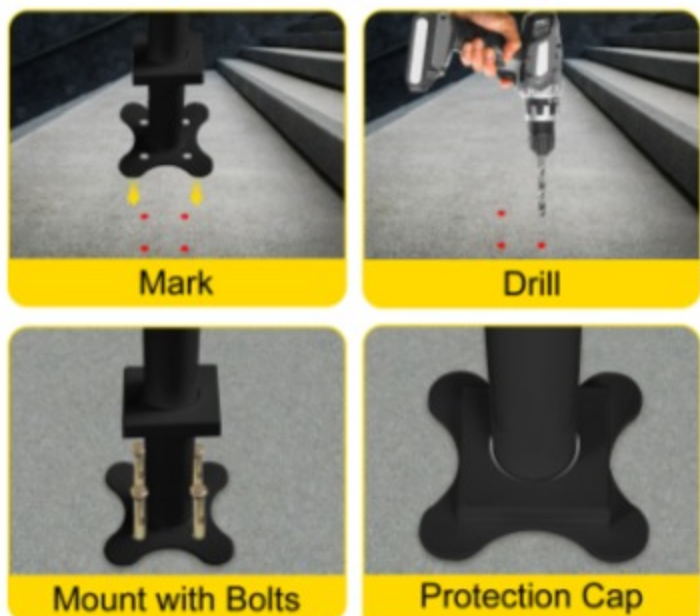

155 Lbs Load Bearing

Our aluminum handrail can bear up to 155 lbs/70 kg load. 0.08"/2 mm thickness tube and the 0.2"/5 mm thickened base ensures super stability and firm support, uneasy to deform or flex.

COMPLETE ACCESSORY

EASY TO ASSEMBLE

INDOOR & OUTDOOR USAGE

Complete Accessories

It comes with pre-drilled holes and all needed expansion bolts. The handrail for the outdoor steps kit is easy to attach to rails and posts to the stairs.

Effortless Installation

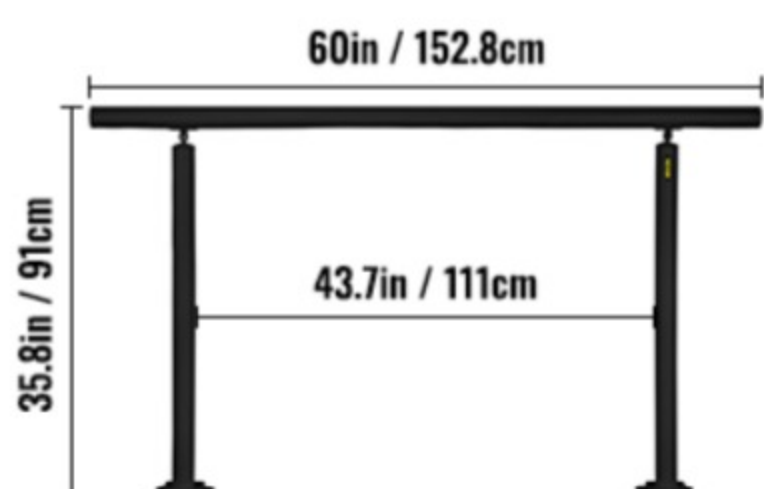

You can assemble the handrail for steps effortlessly. No extra tool is needed, and you can finish the installation by yourself.

Versatile Application

The outdoor railing for steps is suitable for homes, gardens, hotels, porches, and other places with stairs or steps. It serves as a support to improve security and convenience.
