

903 U425MB Pull-out Laundry Faucet Two-Function Spray Head, Matte Black

The Homewerks pull-out nozzle laundry faucet with garden hose adapter makes it easier to direct water where you need it most. Fill large buckets or basins with ease. Use extendable faucet head to tackle large messes from the kids or give the dog a bath. Optional matching matte black escutcheon included.

MODERN MATTE BLACK

Featured in a classic matte black finish, this laundry room or out door utility faucet with its modern features and design will be the perfect addition to your laundry alcove, guest house remodel, rental property, airbnb, in-law unit, and more!

DUAL SPRAY SETTINGS

Pull-out sprayer comes with two adjustable settings: stream for a continuous flow of water ideal for filling large pots or sink basins and spray for a powerful jet of focused water to attack stubborn messes. A retractable nozzle head allows extra reach and flexibility while in the kitchen.

HIGH FLOW RATE

Max. Flow Rate: 4.0 GPM (15 LPM) at 60 PSI.
