

CALI[®] vinyl select

Where Luxury Looks Meet Commercial

This exclusive luxury vinyl collection delivers the same high standards of any CALI Vinyl floor for a better value. Offered only to builders, designers, and architects, it's the LVP for high-style spaces armed for stampede-level traffic. Made in our most popular colors, this special forces flooring is made for domineering strength, faster installations, and 100% waterproofing. Rugged to the bone, each plank is fortified by GeoCore[®], a fortifying backbone of limestone composite for superior structural stability.

New! Caspar Cream

Eastern Swell

Turning Tide

Island Palm

Blonde Ale

Gray Ash

Alderwood

Dusty Dune

New! Tourmaline Toast

Aged Hickory

Thornwood

Redefined Pine

Deep Lagoon

Island Palm

Leaner & Meaner

Designed with the large-scale commercial installer in mind, the strongest drop-lock system in the industry is also easier to snap together, meaning flooring can be laid in half the time.

GeoCore: Bad to the Bone

This backbone of limestone composite resists indentation and delivers 50% better dimensional stability (less expansion and contraction), requiring no acclimation or transition pieces.

Fear No Moisture

A more muscular construction translates to 100% waterproof flooring over any type of subfloor, and zero acclimation even in kitchens, bathrooms, and sub-grade installations.

Construction 100% Waterproof SPC Core

Design Wood

Plank Length 48"

Plank Width 7-1/8"

Plank Thickness 4.7mm

Sqft./Box 23.77
