Fit 2 to 3 Steps

As a great helper for your family members to go up and down the stairs, this outdoor stair railing fits 2 or 3 steps. It is ideal for places where you cannot attach to a wall or structure.

Flexible Height

With the screw connection, this hand railing for steps is height changeable to suit steps of different sizes. The max height for stairs is 13.8"/35 cm, flexible to meet your various needs.

Sturdy Alloy Metal

Our transitional handrail is constructed with alloy, ensuring rust-proof and corrosion-proof. It can keep a long lifespan under various weather conditions.

Easy to Assemble

The outdoor stair rail kit includes everything you need to attach the rails and posts to the stairs. It is simple to install and complete assembly in a few minutes.

Elegant & Fashion Style

The step handrail is designed with a powder coating surface, easy to maintain and clean. The stylish and elegant appearance provides perfect decoration for your stairs.

Versatile Uses

The outdoor railing is suitable for home, garden, hotel, porch, and other places with stairs or steps. It serves as a support to improve security and convenience.
