FITS 4 X 4" POST

### 5 PCS Deck Post Base

Our post base skirt, made of high-hardness steel, features powder coating which can keep it away from rust. Thus, it can last a long time in a harsh environment. Its superior performance determines that we can use it in multiple conditions, including deck brackets, porch railings, stair handrails, mailbox posts, etc.

- Sturdy Post Base
- Use For 4 X 4" Post
- Easy To Assemble
- Complete Accessories

### Why Choose VEVOR?

- Premium Tough Quality
- Incredibly Low Prices
- Fast & Secure Delivery
- 30-Day Free Returns
- 24/7 Attentive Service

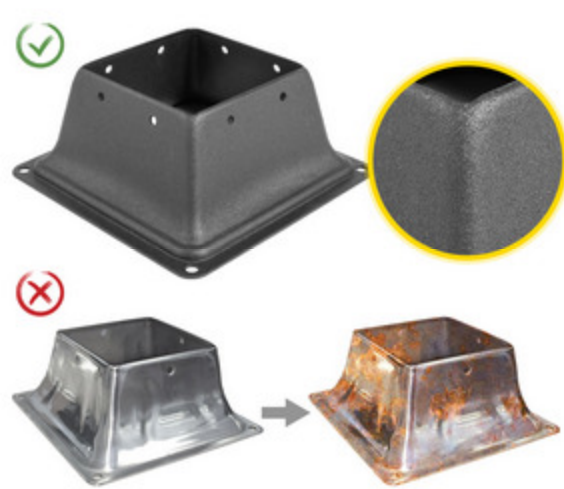

Sturdy Steel Of Extraordinary Hardness

### High-hardness Steel

The grid pergola brackets are made of high-hardness steel, which is durable. So they will not rust even in bad weather.

### Powder Coating, Anti-rust Surface

### Powder Coating

The railing flange is processed with powder coating, which makes the post cover more corrosion-proof. That can make its longevity longer.

### Fits 4 x 4" Post

The fence post flange's internal size is 3.38 x 3.38". It's ideal for posts of 4 x 4". We can use it to fix the fence economically.

### Comprehensive Set

### Comprehensive Set

The mailbox support base includes all the screws during installation. So you don't need to buy more screws.

Effortless Installation

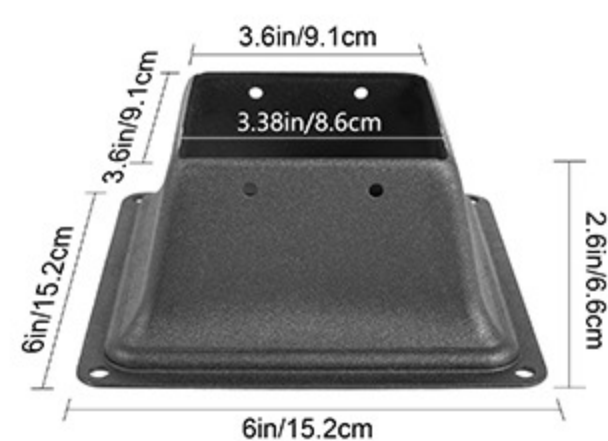

### Effortless Installation

The installation of the deck railing brackets is quite simple. You can install the screws with a wrench—only several steps to finish the assembly.

### Multiple Usages

The deck rail support is rustproof and corrosion-proof. It is very suitable for deck brackets, porch railings, stair handrails, mailbox posts, etc.
