POWDER-COATED SURFACE

High Strength

Rain Proof

Sun Proof

Matte Black Powder-Coated

### Powder-Coated Surface

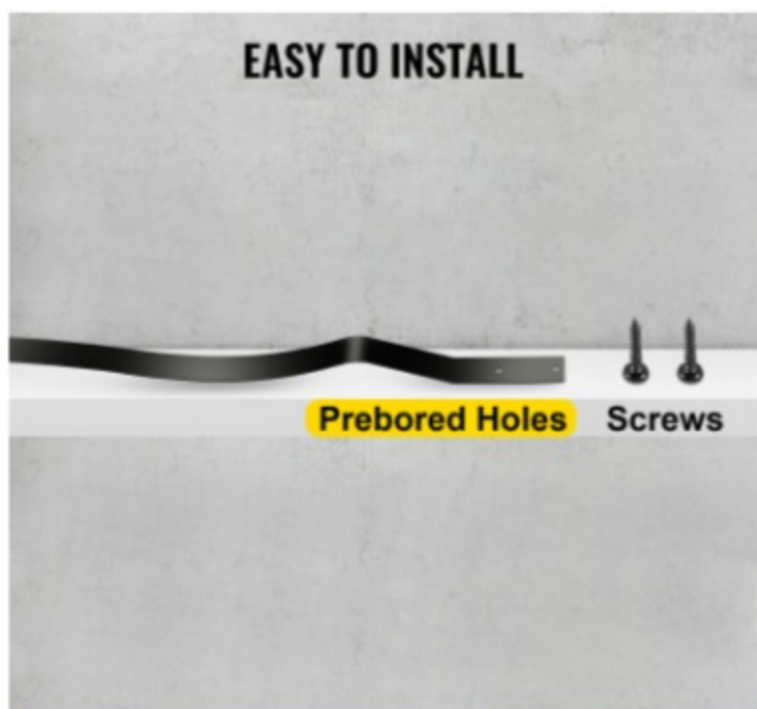

The black powder-coated surface plays a decorative role. Besides, it can improve the weathering resistance ability of the balusters.

MODERN APPEARANCE

### Modern Appearance

The balusters are designed with curved wave shape, modern and stylish for your deck. They are both practical and ornamental.

EASY TO INSTALL

Prebored Holes Screws

One Balster Comes with Four Screws

### Easy to Install

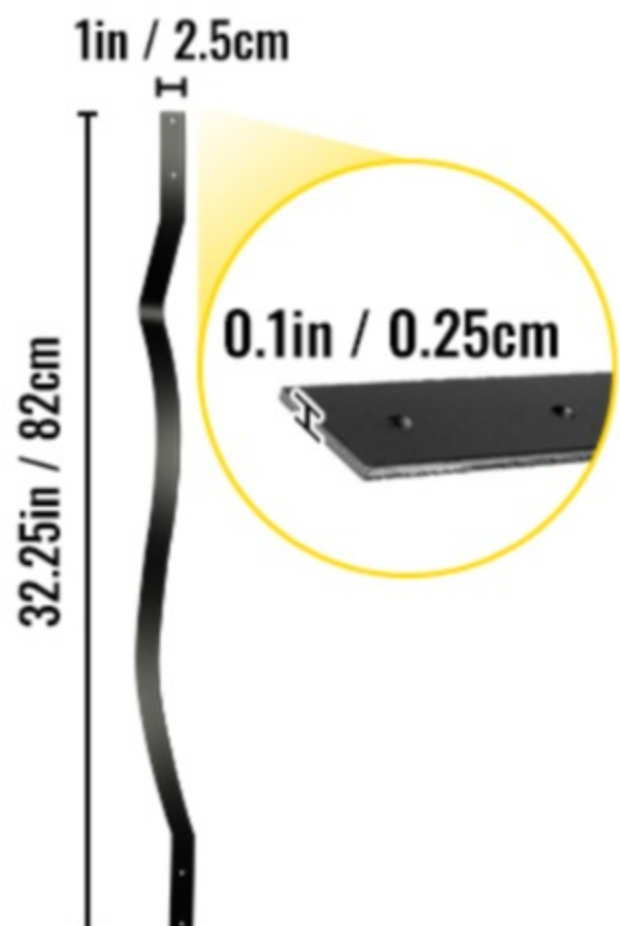

With the pre-drilled holes and self-tapping screws, there is no need to worry about the assembly. It will cost you less time to install the balusters.

VARIOUS USES

### Various Use

These balusters can provide a beautiful and secure environment for your deck, backyard, porch, balcony, and other outdoor or indoor places.
