RGB spotlight also works with DMX512 Telecontrol

Control is at your fingertips. Beyond the back panel, our disco light provides a remote control for adjusting brightness, color, and transition frequency. Plus, one remote can manage multiple spotlights, ensuring precise stage lighting control

Not just a stage light, our LED RGB beads cater to a range of events – from cozy gatherings to grand celebrations. Suitable for indoor venues like homes, stages, and banquet halls, they're the go-to for creating lasting memories.

**360°  
Adjustable Angle**

**Power Cord:  
35.4" / 900 mm**

**Large vent for  
efficient heat dissipation**

**USER-FRIENDLY DESIGNS**

Enhancing longevity and convenience

**Service Life:
