

#### Features

- Two-function pull-down sprayhead allows you to switch from aerated stream to Sweep® spray.
- Sweep® spray features specially angled nozzles that form a wide, powerful blade of water to sweep your dishes and sink clean.
- 1.5 gpm (5.7 lpm) maximum flow rate at 60 psi (4.14 bar).
- DockNetik® magnetic docking system securely locks the sprayhead into place when not in use.
- ProMotion® technology's light, quiet braided hose and swiveling ball joint make the pull-down sprayhead easier and more comfortable to use.
- MasterClean™ sprayface features an easy-to-clean surface that withstands mineral buildup.
- High-arch spout offers vertical clearance for tall cookware and pitchers.
- Single lever handle makes adjusting water temperature easy.
- KOHLER ceramic disc valves exceed industry longevity standards for a lifetime of durable performance.
- Space-saving soap dispenser keeps your kitchen sink clean and clutter-free.
- Innovatively designed soap dispenser swivels out over your sink up to 135° for easy dish or hand washing, and tucks easily back into the body of the faucet when not in use.
- Push the button once for a single dollop of soap, or push and hold for a continuous soap flow.
- Large, easy-to-fill reservoir holds 28 oz of soap; window conveniently reveals soap level at a glance.
- Soap reservoir bracket mounts easily and securely to any location on the sides, back, or floor of cabinet, allowing for out-of-the-way placement and versatility in any setup.
- Separate soap line means soap will never mix with your water.
- Box includes: Assembled faucet, integrated soap dispenser, supply lines, escutcheon plate, six AA batteries, and mounting hardware.

#### Material

- Premium metal construction for durability and reliability.

#### Installation

- Installs with 1- or 3-hole sink (escutcheon plate included).
- Flexible supply lines and quick-connect fittings simplify installation.
- Longer shank works with countertops up to 2½" inches thick and is easy to install.
