

10 PCS Deck Post Base

Our post base skirt, made of high-hardness steel, features powder coating which can keep it away from rust. Thus, it can last a long time in a harsh environment. Its superior performance determines that we can use it in multiple conditions, including deck brackets, porch railings, stair handrails, mailbox posts, etc.

- Sturdy Post Base
- Use For 4 X 4" Post
- Easy To Assemble
- Complete Accessories

Why Choose VEVOR?

- Premium Tough Quality
- Incredibly Low Prices
- Fast & Secure Delivery
- 30-Day Free Returns
- 24/7 Attentive Service

High-hardness Steel

The grid pergola brackets are made of high-hardness steel, which is durable. So they will not rust even in bad weather.

Fits 4 x 4" Post

The fence post flange's internal size is 3.38 x 3.38". It's ideal for posts of 4 x 4". We can use it to fix the fence economically.

Effortless Installation

The installation of the deck railing brackets is quite simple. You can install the screws with a wrench—only several steps to finish the assembly.

Powder Coating

The railing flange is processed with powder coating, which makes the post cover more corrosion-proof. That can make its longevity longer.

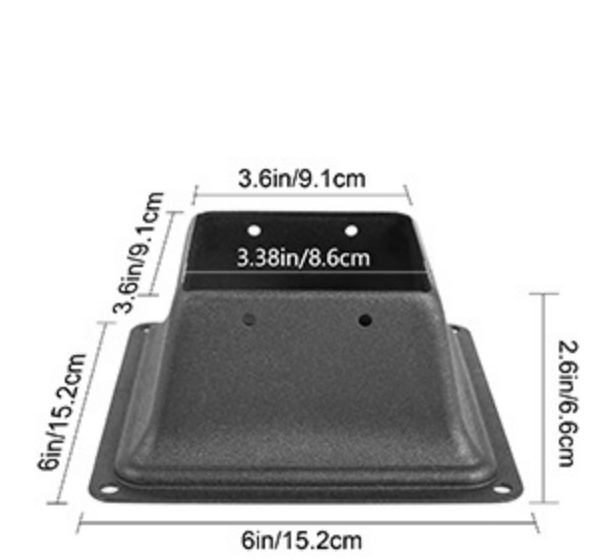

Comprehensive Set

The mailbox support base includes all the screws during installation. So you don't need to buy more screws.

Multiple Usages

The deck rail support is rustproof and corrosion-proof. It is very suitable for deck brackets, porch railings, stair handrails, mailbox posts, etc.
