

LED LAMP

SPECIFICATIONS

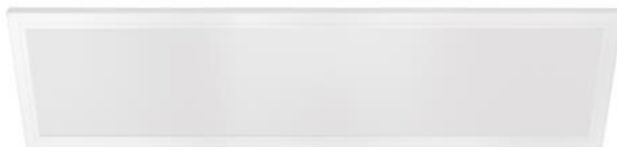

The Commercial Electric 50-watt edge-lit fixture with five selectable color temperatures provides added function and beauty to any residential or commercial area. The ultra-slim low-profile design is perfect for low ceilings. Integrated LEDs turn on instantly to full brightness, with no bulbs to replace. Get the right light in any room all with one light. You can pre-select a color temperature setting or adjust it with a standard light switch. The versatile FP1X4/6WY/WH/HDT is fully dimmable, giving you the ability to adjust the light to suit any scenario from relaxing with an inviting, warm light to focusing on important tasks with energizing, cooler light. Its frosted lens and white frame will add beauty and modern style to any area. Our ceiling fixtures and wall sconces are energy efficient, produce even light distribution of 4000 lumens, and have an average life of 50,000 hours, delivering reliable lighting for up to 45.7 years.

Features
