	BS	Brushed Stainless
	BV	Vibrant™ Brushed Bronze
	2BZ	Oil-Rubbed Bronze

**Technical Information**

All product dimensions are nominal.

Material: Stainless Steel

**Notes**

Install this product according to the installation guide.

Shower basket must be mounted to a brace between the wall studs.

The screws (provided) must be attached to ceramic tile, cement board, or a brace between the wall studs.

If mounting on ceramic tile, do not position the screw locations of the shower basket on a grout line.

Apply silicone sealant into the drilled holes before securing the shower basket to the finished surface. This will reduce the risk of water damage behind the finished surface.
