

26" Vanity Top Assembly Instructions

James Martin Vanities Company always recommends you consult and/or hire a professional contractor when installing your vanity cabinet and top.

Wood Backsplash(Optional) is shipped attached to the back side of the vanity cabinet.

3cm/1.18"
Countertop

Please consult your professional contractor regarding the best Polyurethane Construction Adhesive to attach the Countertop to the vanity cabinet-and backsplash, if desired.

Please Note: The vanity cabinet's back panel is shipped un-cut, to allow for a variety of plumbing installation options.
