

# Specifications

|                                  |                    |                                                 |
|----------------------------------|--------------------|-------------------------------------------------|
| Rated voltage                    |                    | 120V~                                           |
| Frequency                        |                    | 60Hz                                            |
| Rated power input                |                    | 1050W(When inlet water temp in 59 °F)           |
| Seat and water temperature range |                    | 93.2 °F ~104 °F                                 |
| Dryer temperature range          |                    | 95 °F ~131 °F                                   |
| Water supply hose type           |                    | DN15(G1/2")                                     |
| Toilet                           | Flush type         | Tornado Flush                                   |
|                                  | Rough-in           | Rough-in 12in                                   |
| Flushing                         | Heating Type       | Instant heating                                 |
|                                  | Temp of Warm Water | Off/93.2°F ~102.2°F (4 levels)                  |
|                                  | Safety devices     | Butterfly thermostat, thermal fuse, flow sensor |
| Dryer                            | Dryer temp range   | Off/95 °F ~131°F(4 levels)                      |
|                                  | Air speed          | ≥ 4m/s                                          |
|                                  | Safety devices     | Thermal Fuse, bi-Metal                          |
| Heated Seat                      | Heat temp range    | Off/93.2 °F ~104°F (4 levels)                   |
|                                  | Safety devices     | Thermal fuse                                    |
| Remote control                   | Dimension          | 26.92in×15.19in×18.7in                          |
|                                  | Battery            | Two AAA Batteries                               |
| Power cable length               |                    | Appx. 59in                                      |
